San Antonio, Texas

Located

Riverwalk

We are proud to announce the historical location of our 4th annual national conference.

Centrally located in the heart of Texas, San Antonio offers a blend of charm, vibrancy and color. When Tex-Mex meets Old West the atmosphere is rich: the river passages—colorful, the cuisine—even more flavorful, and the people—genuine. Enjoy all the excitement, charm and culture of this historic city while at the Crowne Plaza Riverwalk hotel, a AAA 4-diamond hotel.

Located on the historic River Walk, the Crowne Plaza is within walking distance of the Alamo, Hemisfair Park & Tower and El Mercado Marketplace and only a short drive to Fiesta Texas, the Six Flags Amusement Park, Sea World, Schlitterbahn Water Park, and more.

Enjoy the River Walk from a unique perspective aboard a Rio San Antonio Cruise. The boat captains are expert storytellers that fill in the fascinating details of San Antonio's past. With the two mile expansion of the river now complete, the cruise now takes you from downtown, all the way past the San Antonio Museum of Art, to the Pearl Brewery. You will pass through a lock and dam, the only one of its kind in Texas.

Discover the lingering cornerstones of great American History when you tour the famed Alamo. Visit the historic arts village of La Villita—San Antonio's original neighborhood, and so much more.
